

BIKE WALK COALITION

Promoting Active Living in New London, New Hampshire

1

WHO WE ARE

A group of neighbors, friends, and partner organizations in and around New London, New Hampshire promoting bike and walk access and safety education in order to provide more opportunities for active recreation in our region.

2

WHAT ARE WE DOING?

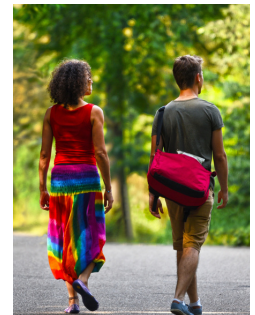

We are focused on public safety education, improving active transportation infrastructure and community engagement. We have held local bike safety events, conducted a Bike Walk survey and collaborated with Town officials to install share the road signage. Future projects include cross walk safety initiatives, a bike loop off main roads, bike racks and additional events.

3

WHY ARE WE DOING IT?

It is our collective responsibility to support active living in our communities, protect and support our families and neighbors, and decrease harm within our community.
